2011 Annual Report**

Celebrating 60 Years of Service

**Dedicated to a True Gem
Gerald "Jerry" Gulley**

To Our Friends:

This past year we marked a major milestone in our tenure. SHORE Community Services celebrated its' 60th year of successfully serving young children and adults with developmental disabilities. During those many years, SHORE grew from a program started by Lois and Thomas Lloyd in the basement of their Evanston home to many programs providing services to over 500 individuals in 26 communities in Illinois. To accomplish this goal, SHORE has made many changes throughout its rich history to continue to provide the best care and support possible. Many staff members, supporters and volunteers were integral in the process. This year, our Annual Report is dedicated to one of those "true gems," Gerald "Jerry" Gulley, Executive Director, for almost 42 years for employment at SHORE.

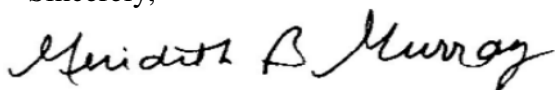

As many of you may already know, Jerry will be retiring his position at the end of December. Since 1970, when Jerry began his tenure as an Evaluation Supervisor at the Training Center, he has been an integral part of SHORE. He became the Executive Director in June 1977. Jerry was instrumental in the creation of all residential, supported employment and the senior program; the expansion of the training center; and the continuous positive endorsement by the Commission on Accreditation of Rehabilitation Facilities-CARF, which is a prestigious international accrediting organization, to name a few. He has spent his entire adult life guiding SHORE through the changes necessary to maintain a viable, stable, and superior organization for the persons served, their families and SHORE's employees. Jerry has always kept the best interest of the persons served at the forefront of all decisions completed. This organization is what it is today due to the foresight, courage and guidance by this amazing man. Jerry has been a mentor, a fighter, a guide and most of all a friend.

Our Diamond Jubilee Gala called "Sentimental Journey" was a highlight of SHORE's fundraising success. This accomplishment was attained with the dedication of our Board Member Spring Benefit Committee chaired by Natalie Romano and especially the Lloyd and Roberts' families. They worked tirelessly for months to prepare for this huge event. The committee brainstormed to find the perfect venue and entertainment, pounded the pavement seeking donations, sponsorships and attendees and they hosted an amazing event that garnered SHORE over \$136,000 net and is our most successful event to date. Thank you so much Dan and Martha Lloyd, Mike and Ann Lloyd Roberts, and Dave and Heidi Lloyd for your dedication to help us to continually grow.

Many volunteers have donated hours of their time to areas of the agency and we always appreciate their dedication. Twenty-six volunteers gather each month to reside on the Board of Directors and five serve on the Honorary Board. Thirty-five volunteers keep our resale store, Second Time Around Thrift & Gift Shop, stocked and open for business. Volunteers have also helped at the Lois Lloyd Center, SHORE Koenig Training Center, Early Intervention, at the residential programs and the administrative office.

SHORE's programs and services could not continue without the dedicated staff, volunteers, donors, companies, foundations and area organizations whose kindness and generosity supports our mission. I want to thank each and every person who spends countless hours all for the betterment of individuals with developmental disabilities. THANK YOU!

Sincerely,

Meridith Murray
President, Board of Directors

Programs & Achievements

Vocational Programs

SHORE Joseph Koenig, Sr. Training Center in Morton Grove is a vocational program supporting persons with developmental disabilities ages 16 years and older. The program seeks to enhance the individual's ability to obtain and maintain employment. Objectives include: providing employment, maintaining job performance and improving job-related skills and habits to maximize earning potential. The Center utilizes community job sites and subcontract work from local industries to prepare individuals for employment. A Senior Services Program is also available for individuals (55 or older), who have chosen to retire. This program offers leisure-based and community activities.

- **187 individuals served during the year.**
- **23 individuals participated in 214 community integration experiences.**
- **The Sales Department reached \$118,000 in contract work from businesses in the community. Many trainees gained community work experience by traveling to some of the companies, which included: Trim-Tex, Inc., Sko-Die and Creative Promotions.**
- **15 persons served in the Supported Employment Program and 37 individuals were provided services at outside sites by the Community Employment Department. Trainees continued to volunteer at the following locations: Village of Skokie's Home Delivered Meals Program, Mather Lifeways and SHORE's Second Time Around Thrift and Gift Shop. Some trainees also helped with errands to the post office, gas station and stores.**
- **Through a grant from the Morton Grove Foundation, the center was able to reseal and re-stripe the parking lot. Other building improvements included: rebuilding a concrete stairway, replacing a steel door and repairing the front lobby entrance floor. Three new HVAC units were replaced through an Energy Efficiency & Conservation Block Grant. Seven new computers with monitors were also purchased to upgrade data management systems.**
- **The training center received 100% on the Department of Human Services for the Developmentally Disabled (DHS/DD) Developmental Training Survey. They also completed an extensive conversion process of funding from DHS/DD grants to DHS/DD Medicaid Waiver.**

Residential Services

SHORE offers three distinct residential programs. The Buehler House - SHORE Homes East in Evanston, and SHORE Homes West in Skokie, which houses 12 residents at each site in a 24-hour staff supported living environment as similar as possible to life in mainstream society. Residents are encouraged to interact with their community and to learn to become less dependent on others. All residents are engaged in daytime employment, training or senior leisure programming.

Community Integrated Living Arrangements (CILAs) are homes in the community where two to seven people reside. The Jean F. Karger House and Laura House are located in Skokie and the Brown CILA is in Evanston. The program consists of an array of services designed to meet the needs of each resident on a long-term basis. Staff support is available on a 24-hour basis. Residents attend one of SHORE's day programs during the week.

The Patricia Lloyd Townhomes in Evanston and scattered-site apartments in Evanston and Skokie comprise SHORE's Supported Living Arrangements (SLA) program. The Patricia Lloyd Townhomes are a row of five two-story units, each housing three individuals that are available to adults who are able to live more independently. Twelve individuals live in the homes and most are employed in the community. Residents are responsible for themselves and their homes. A House Manager resides in one unit to provide support as needed. The scattered-site apartment residents have intermittent contact with staff. Services are on an as-needed basis and training includes: budgeting, housekeeping, cooking, shopping, transportation, interpersonal counseling and case management.

- **During the fiscal year, 54 individuals received services at the various residential sites.**
- **Healthy living continues for all residents with an emphasis on diet and exercise. At SHORE Homes West, staff checks the labels of all the food purchased for the residents because they rarely eat processed or canned foods. During the winter, the residents help make vegetable and bean soup and started making salad dressings. As for exercise, residents ride a stationary bike or walk on a treadmill. Seven residents at SHORE Homes West started a walking club at the Weber Center in Skokie and they meet every Saturday morning. Many of the residents at the Patricia Lloyd Townhomes attend fitness classes at the Levy Senior Center. For residents on diets, the weight loss has ranged from 15 to 59 pounds. The residents' physicians have also commented on how the healthy living program has improved the resident's physical health.**
- **The Brown CILA had its kitchen, which was original over 50 years old, completely remodeled, and a new roof placed on both the house and garage with soffits and downspouts. This was made possible through the City of Evanston's HOME Program.**

Adult Services

The Adult Services Program, which offers developmental training for individuals 18 years and older, is located at the Lois Lloyd Center in Evanston. Participants may have multiple disabilities, including: severe/profound to moderate developmental disabilities and other physical and medical challenges. This educational program offers a curriculum in the areas of language and communication, adaptive daily living skills and prevocational skills.

- **72 individuals were served in the Adult Services Program.**
- **215 community integration activities occurred to the following places: various museums, malls, parks, restaurants, concerts, stores and other places of interest. Staff have directed more activities including: cooking,**

Bingo, art, literature hour, music and a Fashion Show with clothing, jewelry and accessories donated from the Second Time Around Thrift and Gift Shop. Two free jazz concerts were also performed at the center.

- Free monthly dental screenings continued throughout the year by the Illinois Masonic School of Dentistry.
- Students and staff from the North Cook Young Adult Academy volunteered at the Lois Lloyd Center assisting with weekly activities such as arts and crafts and exercise. Over 20 helped at the Annual Holiday Dinner in December.
- The North Shore United Way awarded the Adult Services Program a grant to promote healthy living through the increase of fruit and vegetable consumption and physical activity.

Early Intervention

Early Intervention (EI) serves infants to three-year-olds who are experiencing developmental delays. SHORE provides individual and group (occupational, physical, speech, and developmental) therapies and other services in a variety of locations such as our EI Center in Skokie, the child's home, or other day care centers. The primary focus of the program is, the family, and what is best for the child. Research has demonstrated that working on prevention activities with children at a very young age is much more cost effective than remedial programs at a later age.

- 66 children received Early Intervention (EI) services during the year.
- A playgroup continues that integrates occupational therapy, developmental therapy and a Polish language translator.
- The EI program had two interns from Wilber Wright Junior College's Occupational Therapy Assistant Program for eight weeks observing the therapists and helping with general office activities.
- National Lekotek, which is an agency that works with young children with developmental delays and collaborates with SHORE's EI Program, continues to share space at the EI Center.

Respite Services

The purpose of the In-Home Respite Care program is to ease some of the stress families endure when they are the sole caregivers of a family member with a developmental disability. In-home training is provided that assists respite recipients with communication, self-care and social skills while enabling the primary caregiver to leave the home. Objectives are developed with the input from the individual, family members and staff, which are part of an individualized program plan. A family is usually assigned one respite worker to assure continuity. Hours for respite can range from a few hours every week, to weekends or additional hours as needed.

- 16 individuals received Respite Services during the year.

Service Facilitation

Service Facilitation is provided for those individuals who are enrolled in the Illinois Home Base Support Services program. The program is designed to help individuals with developmental disabilities maintain community placement within their family home. SHORE's Service Facilitator provides case management and support for the individuals and their families including: identifying and assisting linkage to identified service needs for the person served.

- 18 individuals received Service Facilitation during the year.

Agency Re-Sale Shop

The Second Time Around Thrift & Gift Shop, located at 4123 Oakton Street in Skokie, is a re-sale shop that sells donated gently used clothing, home décor, kitchen items and more. The shop continues to set records with over \$90,000 donated to SHORE in Fiscal Year 2011. This feat was accomplished with the help of over 35 dedicated volunteers who run the shop and by scores of donations received from people in the community. The shop is open Tuesday-Saturday. If interested in volunteering, contact Barbara Miles at (847) 673-3172. Donations are always needed and tax credit is given. Please check out the shop's website at www.shores2ndtime.com for more information.

Administrative Fundraising & Highlights

For 60 years, fundraising has been a key component in SHORE's ability to offer the highest quality programs and services possible and to expand these offerings as the need arises. It is through the generosity of time, in-kind donations and financial support that has helped create the organization we are today.

- 16th Annual Golf Outing held at the Deerfield Golf Club in Riverwoods on Friday, July 17, 2010. Forty-eight golfers attended and over \$8,500 was raised.
- Annual Appeal generated over \$125,000.
- Ninety-nine people donated to the Parent Appeal, which generated \$16,925. Many of the gifts were matched by an anonymous foundation.
- SHORE celebrated its 60th Anniversary with a Diamond Jubilee Celebration called *Sentimental Journey* on Saturday, April 19, 2011, at the Hilton Orrington Hotel in Evanston. Over 300 people attended the gala and over \$136,000 was raised, which is the highest netting fundraising event in SHORE's history.
- New agency video created by Susan Hope Engel of Hope Productions to commemorate agency's 60th anniversary. It was debuted at spring gala. Copies are available for a donation of \$20.00 or more.
- The Regenstein Center converted all the lighting, exit signs, and water heaters to more energy-efficient units, which were obtained through legislative grants sponsored by Representatives Louis Lang and Beth Coulson.
- Annual Meeting was held at the DoubleTree Hotel North Shore in Skokie on Thursday, June 30, 2011, and featured five award presentations. See the award recipients pictured below.

Barbara Miles was the recipient of the Joyce Buehler Second Time Around Volunteer of the Year Award. Her family is pictured l. to r. Barry, son, Marty, husband, and Reid, son.

Katie Wessner (l.) received the John S. Hubner Volunteer of the Year Award. She volunteered at SHORE's Koenig Training Center for one year as a Developmental Trainer through the Jesuit Volunteer Corps Program. Anni Braverman, Rehabilitation Coordinator, presented Katie with her award.

Janie Walcoff (L) from the Supported Living Arrangements Program received the Personal Achievement Award from Lynn Gonder, House Manager.

Carl Lieberman, Volunteer, (r.) presented Mike Simkins of Simkins Funeral Home in Morton Grove with the Community Leadership Award.

Arthur Buehler (r.) Board Member, presented John Whalen with the Distinguished Service Award for his 13 years of service on the Board. John will continue to serve as an Honorary Board Member.

SHORE Employees with Ten or More Years of Service were also recognized at the Annual Meeting.

**During Fiscal Year 2010, nearly
 \$5,000.00 was donated to SHORE's
 Endowment Fund as Memorials or
 Honorariums. This fund secures a brighter
 future for individuals with developmental
 disabilities and future gifts may be made in the
 individual's name. In addition, the * denotes
 names that have been added to SHORE's
 Endowment Honor Roll Plaque as the result
 of significant gifts made on their behalf.**
